

2017-2018 YEAR END COUNCIL REPORT

It has been another active year for St Margaret's Council. Council starts each school year by assessing what funds have been carried over from the previous school year. Traditionally, we reserve a portion of the funds raised in the previous school year provide the start-up funds for the new school year. The chart to the right outlines how council spent its funds.

Highlights of the contributions to St. Margaret's in 2017 – 2018, council members were instrumental in a number of other ways, including:

- Arrival & introduction of Marshall our beloved mascot
- Completion of the amazing mural, seen above
- Meg Popovich Parent Involvement session
- Annual Pancake Breakfast
- Math Night
- Healthy Schools Certification
- Much needed Levelled Readers & Science Equipment

I want to thank everyone who played a role with school council this past year. We are very fortunate to have a school council that is so vibrant and that has made many valuable contributions to the St. Margaret's community. Please consider getting involved next year.

Have a fantastic summer!

Tracy Pendergast
